

This is in response to the Commission's preliminary review of the Congressman Bart Gordon Committee October Quarterly Report (7/19/08-9/30/08) regarding 2 unreported contributions during the 48 hour period. The International Brotherhood of Boilermakers \$1,000 contribution was reported but under the name Boilermakers-Blacksmiths Legislative Education Action Program on July 31, 2008. The FEC ID was labeled correctly as C00005157. The \$1,000 contribution from Jim Muncy was unreported on the 48 hour notice but reported correctly on the October Quarterly Report. This was the first credit card receipt for the Congressman Bart Gordon Committee and it was an oversight for the 48 hour reporting time period. Procedures for recording credit card transactions has changed to prevent this from occurring again.
